Massive, versatile storage beast

The SHOPMAX® 7-Drawer Rolling Tool Cabinet is your go-to storage solution for larger workspaces and garages. The cabinet features all-welded 20-ga. steel construction and is designed for heavy usage. The ball-bearing drawer slides provide super-smooth opening and closing, while the soft-close retention system with locking mechanism ensures your drawers close softly, and stay closed when moving. Find more storage behind the locking side door, where you can adjust the shelves to fit cargo of varying sizes. Use the sturdy all-steel side handle to place the cabinet exactly where you need it. Holds up to 1,400 pounds of your tools and equipment, but rolls easily on six heavy-duty 5" x 2" casters. Paint is a rust-resistant composition finished with a rugged, non-scratching rough finish.
